

New in 2019

DOLCE ♦ VITA, bold and efficient

This set of four steak knives features a quirky design and combines cutting efficiency with aesthetics and comfort of use. The ABS handles are injected directly onto the micro-mixed serrated blades for perfect sealing and optimum strength. Each is available in black, plus one other colour specific to the knife.

Virages: The tang's wave pattern is visible along the back of the handle: a unique design and excellent stability on the table.
Available in black and ivory

Malice: original in that the blade tang is visible beneath the guard.
Available in black and petrol blue

Stable: sits firmly on the table and looks perfect!
Available in black and red

Index: the index finger position is ideal, making for maximum efficiency and comfort.
Available in black and slate grey

Each knife is sold in a set of six

Recommended retail price:
€58.34 (for a set of six)

DRESS ♦ CLASS, perfect plating

Precision tongs for handling delicate items, foods and herbs, and arranging them on dishes and plates with the utmost care and attention to detail.

They feature polypropylene pads on each arm, thus offering the ultimate in comfort.

The pads are injected directly onto each arm to provide a firm grip and ensure optimal hygiene.

Four versions:

Straight tongs, 16 and 22 cm

Curved tongs, 16 and 22 cm

Recommended retail price: from €8

EMPIRE ♦ CAFÉ, everyday luxury

This collection of seven serving utensils with a distinctive “silversmithed” band is perfect for prestigious events, hotel buffets, gourmet restaurants and even private parties.

Made of 18/8 stainless steel and tastefully finished, Empire Café combines high quality with modern and elegant lines. The seven utensils, including a serving spoon, pie server, appetizer/salad fork and spoon set, ladle, sauce ladle and serving tongs with a mirror polished finish, feature the Stop Glisse® “smart” handle that prevents them from sliding off the edge of dishes (a patented Déglon design).

Recommended retail price: from €29.40

DEG ♦ SHARP, the pocket-sized sharpener

“Deg Sharp” is a clever, pocket-sized sharpener to take everywhere to give knives a razor-sharp edge in no time. The two tungsten carbide blades will automatically position the knife at exactly the right angle to ensure smooth, easy sharpening. The finger guard protects the users from the blades to prevent injury.

The non-slip base and oval shape keep the sharpener firmly in place on the worktop during use.

Recommended retail price: €12

PUSH ♦ FOOD, the universal pusher

Grate and zest safely and smoothly with the new multi-purpose food pusher by Déglon.

The “Push Food” pusher can be adjusted to fit graters of all widths, thanks to its sliding hooks. With Push Food, to grate is safely (fingers are protected), smoothly (the pusher slides) and easily. It is large enough to grate good-sized pieces of food, or to cut the whole food item into pieces.

Recommended retail price: €9.45
